

# GOF Central 2010

The MG date to remember in 2010 is as easy as July 1-2-3,  
and as easy to remember as GOFcentral.com

Yes, it's GOF Central, Ohio style, on wonderful Lake Erie. A few highlights include a Lake Erie sunset dinner cruise and an enjoyable drive around historic Marblehead Peninsula on our scenic rally/tour. And as a real bonus, those colorful 1930's MG's will be visiting in abundance with their Fabulous Triple-M Bibulous Gallimaufry Shenanigans. All this is right on Ohio's north coast playground within easy reach of major highways.

Just down the road from Cedar Point (yet with super room rates for us), **Sawmill Creek Resort** will be GOF Central Station for 3 days of fun. With the rates we've secured you may wish to come early and stay late to take in a Lake Erie Island hopping tour on the Jet Express, or check out the many area antique stores, or charter a Walleye fishing trip, or even enjoy a day or two at Cedar Point Amusement Park.

For those interested in vintage MG racing, a special bonus event is in store if you come a few days early. Nearby Put-In-Bay on South Bass Island was the site of sports car road races in the early 1950s. The "Put-In-Bay Road Races Reunion" will be held the three days previous to the GOF, June 28-30. A short ride on a nearby ferry makes all the island celebrations accessible from our headquarters resort.

Those wishing to stay a day longer can enjoy a world class fireworks

show from the famous Cedar Point Amusement Park, just an easy and scenic 5 mile drive away.

In between, the Ohio Chapter intends to make GOF Central 2010 an unforgettable event in the life of your MG! Sawmill Creek is a first class resort facility set on 235 acres of private green space (and lots of blacktop, too.) Located along the shore of Lake Erie, the Lodge has 240 deluxe guest rooms, indoor and outdoor pools, game room, tennis, an 18 hole golf course, and a selection of fine dining rooms.

The three days of GOF Central will be packed with great MG events and camaraderie. With the Triple-M Register making this their yearly focus event, you can expect to see a fabulous display of pre-war MGs. To see the schedule of events, go to the web site at: [www.gofcentral.com](http://www.gofcentral.com).

Our location near Huron, Ohio is easily reached by both major and scenic highways. The GOF Central web site has a Google Map pinpointing the location. Our Canadian friends may wish to drop straight down from Kingsville on the MV JIIMAAN via Pelee Island and into Sandusky's Jackson Street Pier.

Whatever route your MG takes, be ready for a warm Buckeye State welcome in 2010. And remember, it's as easy as July 1-2-3 and GOFcentral.com!!
